What Is Special About the SALT Council?

There are many ways to volunteer, with many outstanding organizations. You can volunteer at hospitals, churches, schools, civic groups, and in almost any social group or organization. So what is special about the **SALT Council**?

TAKE A LOOK AT OUR MISSION STATEMENT:

The **SALT Council** mission is to:

Enhance the effectiveness of local public safety agencies by identifying public safety issues and concerns specific to the senior citizens of St. Tammany parish.

As a tax-exempt organization, the **SALT Council** assists public safety agencies by advising them on issues of concern to the Senior community. This helps those agencies to identify methods of serving the citizenry more effectively. In addition, the **SALT Council** develops programs to educate the public about those concerns.

Some of the most important issues are:

- Elder Abuse
- Hurricane and disaster preparedness
- Home security
- Protection against financial crimes
- Personal security and safety

And we are always looking for any source to provide us with public safety concerns of our senior citizens.

DO SOMETHING DIFFERENT— MAKE A DIFFERENCE

The **SALT Council** is always looking for volunteers who are sincere in a desire to make a real difference in our parish. You can do that with the **SALT Council** in a way different from most volunteer organizations.
